The huge potential of various domestic industries and aggressive development are very favorable for the development of the fasteners business in Indonesia.

In 2016, PT Mitra Angkasa Sejahtera Tbk started a partnership under the name RJ Steel. RJ Steel has experienced stable growth every year together with business partners. Praise be to God, July 2020 RJ Steel was officially registered as a Franchise by obtaining a Franchise Registration Certificate from the Ministry of Trade of the Republic of Indonesia.

We are committed to continuously improving performance and making good corporate governance. (Good Corporate Governance - GCG) as a standard corporate culture.

PT Mitra Angkasa Sejahtera Tbk will continue to move forward with business partners, pursuing ideals as high as the sky, to achieve prosperity for the wider community.
